(1) Benefits are limited to the Maximum Allowable Amount (MAA). Under Out-of-Network Benefits, You may be responsible for paying the difference between the MAA and charge. Self-referred care may require preauthorization/precertification from Anthem.

(2) Referrals are not required for care provided within the Access Blue New England Network.

(3) The Out-of-Pocket Limit includes all Deductibles, Coinsurance, and Copayments You pay during a year for medical and prescription expenses under this medical plan and Your HealthTrust prescription benefit program. It does not include your premium, amounts over the Maximum Allowed Amount, penalties, or charges for noncovered services. Once the combined Out-of-Pocket Limit is satisfied, You will not have to pay additional Deductibles, Coinsurance, or Copayments for the rest of the year.

(4) A PCP Referral is not required for these services. However, Covered Services must be provided by a Network Provider. Otherwise, only Self-Referred Benefits are available.

Please note that throughout this chart any reference to year means plan year. Plan year is July 1 through June 30.

This chart is intended for summary purposes only. Details of coverage are set forth in separate documents, which govern these plans.
